Nearby Tourist Spots

Dosan Seowon UNESCO World Heritage
Historic Site No. 170

As one of the Korean Seowons listed as UNESCO World Heritage, it is one of the leading academies where Confucian scholar Yi Hwang studied Confucianism and taught his students.

Korean Studies Institute & Confucian Printing Woodblocks in Korea

Established for research on and the succession of traditional cultural heritage, this Korean Studies research center is home to Confucian Printing Wood Blocks listed as UNESCO World Heritage.

Yeki Village & Seonseonghyun Cultural Heritage Complex

Built in the 1960s to 1970s for those displaced by the Andong Dam construction, Yeki Village is an excellent place to experience traditional Korean rural life. A stroll in Seonseonghyun Cultural Heritage Complex and along Seonbi Trail offers stunning lake views.

Hahoe Village UNESCO World Heritage

Surrounded by the meandering Nakdong River, it is the village where the Pungsan Ryu clan have lived for generations. Dubbed the 'Living Museum' of Confucian life and traditional folk culture, it is listed as UNESCO World Heritage.

Byeongsan Seowon UNESCO World Heritage
Historic Site No. 260

Praised as the pinnacle of Seowon architecture, its architectural beauty harmonizes with the surrounding landscapes. It is one of the Korean Seowons listed as UNESCO Cultural Heritage.

Manhyujeong Pavilion

Gyeongsangbuk-do Cultural Heritage Material No. 173

Built by Kim Gye-Hyang, a high civil official during the early Joseon Dynasty, in 1500, this Pavilion has three rooms at the front and two rooms to the side. The lofted Numaru makes the building open on the front to enjoy panoramic views of the surrounding landscapes.

Wolyeonggyo Bridge

This wooden bridge harbors a tragic legend about the noble love of a wife named Woni's Mom. Known as one of Andong's popular night-view spots and for its picturesque views of Andong Dam, this is where Andong's summer festival "Wolyeong Night Trip" is held each year.

Imcheonggak Treasure No.182

Originally built with a total of 99 rooms, this is home to the head family of the Goseong Lee clan and the birthplace of Seokju Lee Sang-ryong, Andong's famous Independence fighter.

Bongjeongsa Temple UNESCO World Heritage

This temple is one of the UNESCO World Heritage-listed 'Sansas, Buddhist Mountain Monasteries in Korea'. It is famous for Geuknakjeon Hall, the oldest wooden structure in Korea.
